PRAYERS  
FOR  
WOMEN

# JANUARY 1

Lord, help me be the peacekeeper, never the one who stirs up more anger. Help me be an example to my whole family. Amen.

## JANUARY 2

Father, raising obedient, loving children requires me to show gentleness and patience, not threats or harshness. I pray that You will teach me how to soften each correction with the same love I receive from You. Amen.

## JANUARY 3

Lord, give me the strength to forgive others so You will  
forgive me my own trespasses. Amen.

## JANUARY 4

Lord, help me not to be quick to judge or oppose love between others. Let me give love time to do its work. I may never see the result I want, but I am sure it is in Your hands. Amen.

## JANUARY 5

Have mercy on me, O God, have mercy on me,  
for in you my soul takes refuge.  
I will take refuge in the shadow of your wings.

PSALM 57:1 NIV

## JANUARY 6

Father, thank You for all You have given me, for all You have taught me, and for all the good times still to come. Amen.

## JANUARY 7

When Your purpose is revealed to me, Father, help me to accept my responsibility and do Your will. Amen.

## JANUARY 8

Father, it often seems that might makes right and I stand no chance, but I know Your power can overcome whatever evil men might plan. When I am in despair, fill me with faith in Your justice. Amen.

## JANUARY 9

I often feel that I lack faith, Lord, that You must be speaking promises for someone else—someone more faithful and deserving of them. Show me the error of this thinking. Amen.

## JANUARY 10

My strength, I watch for you;  
you, O God, are my fortress, my loving God.  
God will go before me.

**PSALM 59:9-10 NIV**
